Information for Parents

Trial Athletes: If you registered your child as a "Trial Athlete", and have attended for 2 nights, your registration payment is due now. Trial athletes cannot compete for a 3rd night because they are not covered by insurance.

All parents need to stay at the athletics centre to assist with supervising children & conducting the events, according to the roster below. Parents from each age group are responsible for setting up their first event and packing away equipment from their last event.

Age Managers and recorders: at the end of the night please remember to take the field result sheets to Emily Carty at the Track recording table. If the field result sheets are left in the Age Group Folders Deb is not able to enter results for your children on the electronic system.

Tots Parents: Kids of all ages like to play with the new tots' equipment, which is how some of it goes missing! Can you please all help Fiona, Danielle and Brendawith set up and supervision of the tots' equipment at the beginning of the evening.
