Welcome to our Presentation Night!

What a great season our Little Athletes have enjoyed...new skills, new friends and lots of fun. To celebrate we have complimentary hotdogs, drink and ice-cream for the athletes. Parents, siblings and friends can purchase hotdogs, drinks and ice-creams from Jo and Gelila.

It's a pity that rain forced the cancellation of our Fun Night. However, while you are waiting for the official ceremony to start our **age managers** have organized some fun games and races: Twister, Volleyball, Wheelbarrow and 3-legged races, to name a few. Please do not go into the Hall until the ceremony starts about 6:30 pm.

To our athletes: Congratulations for your achievements and sportsmanship this season. Keep fit over the winter and see you next season.

Thank you to our great age managers, and all the parents who helped setup equipment, run events and keep time. A special thanks to:

- Paul Carty for his energy and enthusiasm setting up equipment and starting each week.

Parents: our little committee needs more helpers. Jo Richardson and Deb Hentzschel no longer have children competing in Little Athletics. If they move on, without replacement, our friendly club is at risk of folding. Committee meetings take one hour per month and positions do not take much more time than you are already giving when you help on Friday evenings....so please come along to the **AGM on Monday 5th May**. We particularly need help with equipment, uniforms and Zone representation, but all positions are available.
